## Key of Chaos

### January Rehearsals

Below you will find all the needed information about rehearsals for the show.

Please make sure you are at each rehearsal scheduled that includes your character or part. We will be rehearsing in alternative spaces, so it is imperative that you are present at EACH rehearsal so we can minimize the time needed for the stage.

Please arrive promptly at 3:45 and plan to stay until 5:15. The only exception is if you are only in a musical number and not in the scene assigned for the day (then you may leave at 4:45). We will rehearse choreography from 3:45 to 4:45 and then blocking from 4:45-5:15.
